

LEGENDS HOMEOWNERS

As homeowners/renters in the Legends, we want to make you aware of some programs available that may benefit you.

Many residents live alone and have nobody to assist them with their daily needs, be it welfare checks, transportation issues, grocery shopping, financial assistance issues, etc.

The Pima County Sheriff's Auxiliary Volunteers as well as Valley Assistance Services, offer many of these programs.

If you reside alone and would like to have someone call you on a daily basis to check on your wellbeing, the Sheriff's Auxiliary Volunteer program "TELECARE", is here to help. All that is required is a phone call from you to provide some information. You will receive a call everyday just to check and make sure you are okay. If you don't answer, another call will be made. If they cannot reach you, a Sheriff Auxiliary Volunteer patrol car will be sent to check on you. There is no charge for this service. The phone number to sign up for this service is: 520-351-6706

Valley Assistance Services also provide transportation, shopping assistance, financial assistance, handyman services as well as Meals on Wheels and food assistance through the Valley Food Bank.

The Green Valley Fire Department along with Green Valley Recreation provides a "ENVELOPE OF LIFE" packet for you. The packet holds a paper for you to write down each resident's medical history, medications and emergency contact data. These are to be filled out and placed on your refrigerator with a magnet. In the event of a medical emergency, the Green Valley Fire Department EMT's will look for the packet and have access to your medical information so that they can aid in your care. If you would like a packet, please contact the Fire Department.

An external lock box for a house key is also available for you. These will be placed on an exterior wall of your home, near the front door and are accessible with a special key that the EMT's possess. If there is a medical emergency and you are alone, they can enter your home and assist in your care. These are available by contacting the Sheriff's Auxiliary Volunteer office at 520-351-6706.
