

The Roads Capital Improvement Fee vote is in.

It has been a long hard journey to get to this point, the vote has come in from HBS Stratford. We had 164 of our households respond to the vote we just had; this was a great turnout for us.

Here are the votes:

Yes: 131

No: 29

Abstain: 4

We ended up with 80% in favor for the new fee.

That means that the new Capital Improvement fee of \$399 will be due on July 1st, 2025 and past due after July 30th.

I would like to thank everyone who was involved in making this happen. Also, thank you to everyone that voted.
